The number of laps in the Heats/Feature can be altered by the Clerk of Course / Stewards or for safety or Force majeure.

OVER SUBSCRIPTION FORMAT:

An over-subscribed class will be split in groups randomly by the AKA Computer System. Each group will race the Heats as if each is a unique class. Only the top 16 point scorers overall, will fill the grid for the class Feature race in points order. All other drivers in the class will not be eligible for any further competition.

RESTARTS:

Rolling Laps:

In the event of a collision during the rolling laps, prior to the Start, karts may be permitted to be restarted with assistance by delegated person/s. Delegated person/s must retire to a safe position once the race has commenced. Karts that have stopped due to mechanical defect will not be permitted to restart.

Heats:

No restarts by any kart. Karts are not permitted to restart if the kart becomes stationary, unless they are fitted with a clutch and then they must rejoin the race within 1 lap.

First lap of the Feature race:

In order to justify a race restart, two or more karts must be involved in the SAME incident being deemed the cause for the stoppage.

1. ALL KARTS involved in the incident, including stalled karts, will be allowed to restart at the rear of the field. Any karts not involved in the incident and that are already stationary at the time of the incident, will not be permitted to restart.
2. In this situation the Chevron Flag and Yellow Flag are to be shown until the track is clear for a restart.

RACE STOPPAGES: (Rule 16.11a)

When a race is stopped it must be restarted over the remaining number of laps as approved by the stewards, unless

- i) it is at least 50% complete at the time. In this case places will be awarded according to the position at the end of the lap prior to race cessation.
- ii) it is a State or National Championship or Speedway Final event, where less than 3 laps remain to be completed. In this case places will be awarded according to the position at the end of the lap prior to race cessation.

Gosford Kart Speedway: Local Conditions
SYSTEM OF GRIDDING: (Rule 19.37)

Karts are not to be pushed off until the Pit Gate has been closed.

There will be no entry of karts or persons permitted to enter the track after the first kart has been pushed off until the completion of the race.

No persons are permitted to jump over, or pass equipment over the track fence at any time.

Failure to abide by this will be a serious breach of these Rules. (Rule 5.01 (w))

TYRES:

Restricted Classes including KT Modified classes may use any AKA approved dry/slick and/or wet tyre from the current or any previous AKA Karting Manual at CCSKC tracks, except for 6-inch diameter tyres or Burriss tyres. (Refer Table 23.09) Tyres may be hand grooved.

6-inch diameter tyres and Burriss tyres allowed only in Formula 100/Sportsman.

Tyres may be hand grooved. The combining of "dry" or "wet" tyres at the same time is permissible.

All classes except for Formula 100/Sportsman will be restricted to 6 tyres in total per kart per class for the duration of the event.

Formula 100/Sportsman will be restricted to 8 tyres in total per class for the duration of the event.

All chosen tyres must be presented at Scrutineering for identification and marking.

If one (1) additional tyre is required (due to damage or force majeure), competitor must report to the Chief Scrutineer (to have damaged tyre inspected and replacement identified) and the driver will start rear of field in next race (Heat/Final).
